November 4, 2023

Dear National Officers, State Officers, Brothers and Sisters, President Matt Coletta, Officers and Members of the Duca Degli Abruzzi Lodge No. 443, Guests one and all:

On behalf of the New York Grand Lodge, Order Sons and Daughters of Italy in America, I would like to extend warm and fraternal greetings to all.

It is fitting that this evening we take the time to thank the officers and members of the Duca Degli Abruzzi Lodge for their dedication to our treasured organization. Congratulations on your "Taste of Italy" Dinner Dance. The Duca Degli Abruzzi Lodge has always been an important part of our New York Grand Lodge and we look forward to many more years of continued active participation. We also extend best wishes to this evening's award recipients; they are most deserving of this special recognition.

Founded in 1905, the Order Sons and Daughters of Italy in America is guided by its mission to promote Italian American heritage, contribute to charitable causes in the community, and support the educational goals of young people through scholarship and grant programs. We have been a major influence and have bestowed so many contributions to this great country of ours. It is important that we continue to preserve the rich traditions, values, and culture, passed down to us from former generations. At the same time, we must look toward the future and heighten the awareness of all the contributions we will continue to give to the community at large.

You should be proud of the wonderful work you do on behalf of OSDIA and always boast of your membership in the Order Sons and Daughters of Italy in America. It is up to each one of us to preserve our Italian heritage and bring it forward to future generations. Take the challenge, and do everything possible to keep our Order rich and viable for many years to come.

Best wishes for a great event and continued success.

Fraternally,

*Biagio J. Isgro, Jr.*
