

Instructions for filling immigration survey

There are three survey forms. If you were born in Italy and moved to the USA then you need to fill out 1st generation; if your parent immigrated then use 2nd generation: if your grand-parent immigrated use 3rd generation form.

If you have Word send a quick note to jrpastore@stny.rr.com and return to e-mail address below, if not print the PDF form, answer in an e-mail to Laura with responses corresponding to the numbers on the survey or mail your responses it to :

Joseph R. Pastore
3632 James Drive
Endwell, N.Y. 13760

I will scan it and e-mail it to Laura Zonca at the email below:

This data is being collected and analyzed by Laura for her Masters Degree Thesis. If you can complete as best as you can, I have a target date of Sept 22 2017 to compile all the input for my thesis analysis.

Thank you in advance for your input .
