Michele Cangiano Ment
State President

October 10, 2021

Dear National Officers, State Officers, Brothers and Sisters, President Stephen Rogers, Officers and Members of the Duca Degli Abruzzi Lodge No. 443, Guests one and all:

What a sincere pleasure to send warm and fraternal greetings on behalf of the New York Grand Lodge, Order Sons and Daughters of Italy in America.

It is fitting that we take the time to thank the officers and members of the Duca Degli Abruzzi Lodge for their dedication to our beloved organization. The Duca Degli Abruzzi Lodge has always been an important part of our New York Grand Lodge and we look forward to many more years of active participation.

Congratulations on your Columbus Day Brunch. As a native of Genoa, Columbus inspired early immigrants to carry forth their rich Italian heritage to the New World. For our beautiful Italian American communities and Americans of many backgrounds, Columbus remains a legendary figure.

The New York Grand Lodge is especially dedicated to promoting our shared Italian culture, traditions, language and legacy of our ancestors and represents the very best of what it means to be of Italian heritage. We will continue to support our youth with scholarships and are committed to continuing the many philanthropic and humanitarian endeavors that are so close to our hearts.

Continue your good work and always boast of your membership in the Order Sons and Daughters of Italy in America. It is up to all of us to keep our Order vibrant and to carry on as respected and accomplished Italian Americans. Let us continue to celebrate the successes of our Order as well as commemorate the past, present and future of our extraordinary organization.

Please accept my very best wishes for an enjoyable event and much continued success.

Sincerely,

Michele Cangiano Ment

HISTORY OF SONS OF ITALY

Originally called "L'Ordine Figli d'Italia," the Order Sons of Italy in America was established in the Little Italy neighborhood of New York City on June 22, 1905, by Vincenzo Sellaro, M.D., and five other Italian immigrants who came to the United States during the great Italian migration (1880-1923). Their aim was to create a support system for all Italian immigrants that would assist them with becoming U.S. citizens, provide health/death benefits and educational opportunities and offer assistance with assimilation in America.

Highlights in OSIA's history:

- In its early years, OSIA established free schools to teach immigrants English and centers to help them become U.S. citizens.
- The first OSIA lodges established orphanages and homes for the elderly, life insurance and mortuary funds, credit unions, welfare societies and scholarship funds to aid members in need.
- During World Wars I and II, OSIA members bought war bonds and war stamps to support the war effort, and lodges competed with each other to contribute the most money to the Red Cross.
- In World War II, the OSIA Supreme Council (national officers) issued a resolution urging members to donate one day's salary to the national defense.
- To date, OSIA members have given more than \$93 million to educational programs, disaster relief, cultural advancement and medical research.

Today OSIA:

- Researches Italian American culture and history
- Promotes the study of Italian in the United States
- Encourages young Italian Americans through scholarships and other educational programs
- Organizes grassroots efforts to support legislation and other issues of importance to Italian Americans.
- Raises money for worthy causes
- Supports diplomatic relations between the United States and Italy
